

Our Readerly / Writerly Wall
***Sanjukta Dasgupta**

The magazine on our college wall
Mesmerizes eyes and minds
The animated brick and mortar wall-board
Flaunts its spectacular scripted collage
Provoking sight and insight

The collegium chorus
Blossoms into a thousand words
On our magic wall with a mind
Philosophic, critical, literary
Creative, lyrical, hilarious

Our writing on the wall
Is not a careful caveat
Our writing on the wall
Is a fiesta of winsome words
A grounded globe in zestful graffiti
A creative carnival on a smart wall
A celebration of cerebral chic
On OUR College wall with a mind.
