

# REBELLION

**Mihir Chitre**

*What do you get from rebellion?  
Maybe a couple of good poems,  
Friendlessness, antipathy, disregard,  
Loneliness!*

*What do you get from rebellion?  
And from those endless fights  
Against the establishment, authority, hypocrisy,  
Injustice?  
A wicked world*

*What do you get from rebellion?  
Maybe a couple of good poems  
That will mock  
The rest of the world*
