

VICISSITUDES

Payel Ganguly*

*Life's
challenging odyssey,
truly unfathomable
as
man's desperation
frustrated by prejudiced divinity;
Life's
but an empty dream of vicissitudes,
where
peace goes astray.
Dreams
are high-jacked,
in the dark sky of disappointment !
Frustration
swallows success,
yet
human yearns for transcendence.
Time's
the testimony
to our fake clarity!
We
strive to slaughter reality,
with a crusade
of an anonymous creed:
to challenge the unchallenged
but
alas! find ourselves,
locked in the abyss
of loneliness!
yelling for re-incarnation.....*
